Why should I renew my AIM Energetic Balancing Program?

Thank you for your participation in The AIM Program of Energetic Balancing over the past year. Hundreds of people from all over the world have sent emails and letters about their self-healing success stories. We are grateful to have played a part in helping people create the life they desire.

You've reached another milestone. Each year AIM participants make the decision whether to renew. For those with visible improvement or spectacular well-being, the choice is easy. As one of our 74-year-old participants said, **"I'll always be on The AIM Program. I feel better at 74 than I did at 47!"** For others, whose healing has been more subtle, the choice may not be as obvious. We suggest you not only ask yourself, but also inquire with your friends and family regarding any changes they've noticed in you.

We hope you will continue on your wellness journey with The AIM Program. Though most or all of your active, chronic and hereditary energetic imbalances have cleared, deep or persistent imbalances can take some people longer than a year to clear. Also, new energetic imbalance frequencies are revealed to EMC² regularly. As soon as these are revealed, the appropriate balancing energies are added to the AIM trays to aid your self-healing process. Staying on the tray means you receive these energies immediately.

Approximately 99 percent of our participants have a Life Force between 96 and 100 by the one year mark. But high Life Force is not a goal in itself - it marks the beginning of true healing and to heal is to become whole. True wholeness means to include everyone and everything without exception. When your Life Force is at a high level, it flows into every area of your life in order to manifest the things, experiences and relationships you desire. Continue the commitment to self-healing and fulfilling your purpose for choosing this lifetime by renewing your AIM Program. EMC² looks forward to being of service to you on this journey.

Peace and Blessings,

EMC²

"I am now in my 10th year on The AIM Program of Energetic Balancing. Starting and renewing on AIM is one of the smartest life decisions I've ever made. Since being on the Program, I am happier, healthier, more confident and my connection to guidance is much more powerful. I have continued to heal myself on deeper levels over the years. One of my most powerful balancings happened during my 5th year. During the years on AIM my attitude has continued to improve to higher levels of joy and human understanding. I am a better me in everyway. Thank you EMC²."

"I had been wearing hearing aids for 3 years after losing 50% of my hearing due to being a professional drummer. When I discovered EMC² I started The AIM Program. One day, after a couple of years on AIM, I was with friends and forgot to wear my hearing aids. Much to my surprise I was able to hear the entire conversation at the table. I used to have to use my left ear when talking on the telephone and now I can use the right ear as well and hear conversations clearly, which I had not been able to do for at least 15 years. It's great to be able to use either ear and hear so much better. I attribute the improvement in my hearing to my self-healing while on an AIM program."
